Our floral subscription program is a wonderful way to enjoy the beauty of locally grown flowers all season long. Our arrangements are thoughtfully designed with an assortment of flowers, grown right on Round The Bend Farm. We grow things such as ranunculus, anemones, zinnias, snapdragons, celosia, sunflowers, dahlias, lisianthus, tons of cool textural fillers, and greenery! As the seasons change, so will your selection of fresh blooms.

The subscription program is offered on either a biweekly or monthly basis, with the option to choose from a glass mason jar, or wrapped bouquet. This subscription starts in June, and goes until October for a total of 11 biweekly dates, or 5 months.

Pick up is available Wednesday - Saturday or have it delivered for your convenience. Delivery alongside an existing RTBF CSA share is complimentary, but is also available separately.
