Our floral subscription program is a wonderful way to enjoy the beauty of locally grown flowers all season long. Our arrangements are thoughtfully designed with an assortment of flowers, grown right on Round The Bend Farm. We grow things such as zinnias, snapdragons, celosia, sunflowers, dahlias, lisianthus, tons of cool textural fillers, and greenery! As the seasons change, so will your selection of fresh blooms.

The subscription program is offered on a biweekly basis, with the option to choose from a glass mason jar, or wrapped bouquet. This subscription starts in June, and goes until October for a total of 10 dates.
