

ROUND THE BEND SPRING SCHOOL TOURS

Round The Bend Farm is a working family farm open to schools and families for Spring visits. With hands-on activities, children learn about animals, plants, soil, bees, and more.

RTBF welcomes teachers, parents and children to experience the farm, first hand, using your 5 senses. 🧐👁️👂👃👅 Visit the learning stations, explore the activity boards and enjoy the wonders of a real working farm.

PLANTING STATION

Learn about the parts of a plant & their function, and what plants need to grow. 🌱

Each child will plant 4 seeds (bean, sunflower, pea, corn) and transplant a small flower. 🌸

Children take both seeds and flower back to the classroom or home.

THIS IS A GUIDED STATION.

ANIMAL STATION

Come into the barn and visit the farm animal babies 🐄🐓🐣🐰🐶

In June you can also visit the animals in their outdoor living spaces. What sound does Levi, the alpaca, make?

Learn about animal needs, how they change as they grow, and how we care for them.

THIS IS A GUIDED STATION.

NATURE WALK

Walk through our small forest, on the path, and see the signs of spring, do the resin creature seek and find. Do the trees have leaves yet? Are there wild flowers growing? 🌲🌲

BEE KEEPING STATION

Check out the Buzz On Bees interactive game, learn how bees help the farmer and interesting facts about beekeeping. Is a bee an important insect? 🐝

PLAY ACTIVITIES

With adult supervision, play in the straw maze, slide down the Tube Chute and Roller Coaster and check out the new interactive flip board and other activities around the yard. All play areas require adult supervision, and posted regulations must be followed.

WAGON RIDE

Take a wagon ride around the fields to see what is growing in the fields.

RATES

Students: \$14.50 + tax Each students receives transplanted flower and planted seeds at departure time.

Teachers and classroom support staff: no charge (approx. 1 teacher for every 20 +/- student no charge, at farm's discretion)
